LIN Supplier ID

CAN in Automation e. V. (CiA) has been appointed by the ISO Technical Management Board (TMB) as the Registration Authority (RA) for the LIN Supplier ID defined in the ISO 17987-3 standard.

The registration causes an administrative cost of **500,00 € + 19 % German VAT**. This is a one-time payment. The LIN Supplier ID is permanently registered to the named company on behalf of ISO. If the company changes the name, or the company is sold, please make sure to inform CiA.
